INSIGHTS

Strong Savings Rate

40.3%

You're saving Rp2.578.900 — well above the recommended 20% benchmark. This surplus strengthens your financial buffer and supports long-term goals.

📊 **Top Spending Category**

Food & Drink · 32.8%

Your spending is distributed across 13 categories. Food & Drink leads at 32.8% (Rp1.254.000).

📊 **Weekend Spending Pattern**

+164% vs weekdays

Weekend spending averages Rp981.950/day compared to Rp371.440 on weekdays. Setting a separate weekend budget could help manage this difference.

📊 **Transaction Summary**

31 records

Average expense: Rp131.762 across 29 transactions. 2 income entries recorded.
